

# TAKE 5 TO SAVE LIVES

World Suicide Prevention Day

September 10th is  
World Suicide Prevention Day.

Join a national movement  
to change lives and save lives.

The National Council for Suicide Prevention is organizing the mental health and suicide prevention communities to spread the word about World Suicide Prevention Day on September 10th and the **Take 5 to Save Lives** campaign ([www.take5tosavelives.org](http://www.take5tosavelives.org)).

The campaign asks supporters to take 5 steps: 1) Learn the signs 2) Join the movement 3) Spread the word 4) Support a friend 5) Reach out if you need help.

We are encouraging everyone to use their social media channels to spread the word about World Suicide Prevention Day and lend their support. Below are suggested posts for Twitter and Facebook.
