2025

Baee J, Draper B, Wijeratne C. (2025) A systematic review of reasons for and against euthanasia and physician assisted suicide in older people with a non-terminal condition. *Australasian Psychiatry*, 33(3):366–375. <https://doi.org/10.1177/10398562251313917>

Bower, E.S., Van Orden, K. A., & Lenze, E. J. (2025). Suicidal Ideation After Hip Fracture in Older Adults. *Psychogeriatrics*, 25(4), e70065. <https://doi.org/10.1111/psyg.70065>

Connors, M., Draper, B., Wand, A.P.F., De Leo, D., Reppermund, S. (2025) Suicide and self-harm in older adults. *Nature Reviews Psychology* 4(7), 440–456. <https://doi.org/10.1038/s44159-025-00454-w>

Doering, S., Liljedahl, S. I., Lindström, S., Sinyor, M., Hedna, K., Bergqvist, E., Palmqvist Öberg, N., Wiktorsson, S., Stefenson, A., Hartelius, J., Westrin, Å., & Waern, M. (2025). "Younger" and "Older" Old Adults Who Die by Suicide: A Comparison Study and Cluster Analysis. *The American Journal of Geriatric Psychiatry*, 33(10), 1035–1045. <https://doi.org/10.1016/j.jagp.2025.05.006>

Draper, B. (2025) Suicidal Behaviour in NSW Asylums for the Destitute and Aged in the Nineteenth Century. *Health and History*, 27(1), 65–82. <https://doi.org/10.1353/hah.2025.a971602>

Draper, B., & Wand, A. P. F. (2025). Suicide in later life: The role of frailty and depression. *Current Opinion in Psychiatry*, 38(5), 383–388. <https://doi.org/10.1097/YCO.0000000000001009>

Erling, I., Waltersson, C. A., Waern, M., Tillfors, M., Hed, S., Wiktorsson, S., & Berg, A. I. (2025). Pathways to change in existential group treatment: experiences from older adults with psychological distress in primary care. *BMC Geriatrics*, 25(1), 504. <https://doi.org/10.1186/s12877-025-06157-4>

Goldblatt, M. J., Castelli Dransart, A. D., Lapierre, S., Waern, M., Lindner, R. (2025). Exploring multiple levels of suffering and suicide prevention in an era of emerging national. *Frontiers in Public Health*, 13, 1589426. <https://doi.org/10.3389/fpubh.2025.1589426>

Hed, S., Berg, A. I., Tillfors, M., Ehnvall, A., Westrin, Å., Wiktorsson, S., Gysin-Maillart, A., & Waern, M. (2025). Attempted suicide short intervention program for older adults 65+ (ASSIP-

OA): a study protocol for a multicentre randomised controlled trial. *BMC Psychiatry*, 25(1), 588. <https://doi.org/10.1186/s12888-025-07016-7>

Owsiany, M. T., & Fiske, A. (2025). Control in Relation to Suicidal Ideation and Nonfatal Suicidal Behavior among Older Adults: A Systematic Review. *Aging and Mental Health*, 29(1), 13–24. [10.1080/13607863.2024.2365885](https://doi.org/10.1080/13607863.2024.2365885)

Rymo, I., Zetterberg, H., Blennow, K., Kern, S., Skoog, I., Sacuiu, S., & Waern, M. (2025). High CSF neurogranin level is related to lifetime reports of passive suicidal ideation in a population-based sample of older adults. *Journal of Psychiatric Research*, 181, 340–347. <https://doi.org/10.1016/j.jpsychires.2024.11.044>

Sjöberg, M., Hed, S., Wiktorsson, S., Berg, A. I., Strand, J., Doering, S., & Waern, M. (2025). Experiences of healthcare interactions before and after suicidal behaviour among older adults attending geropsychiatric services: an interpretative phenomenological analysis. *BMJ Open*, 15(5), e100636. <https://doi.org/10.1136/bmjopen-2025-100636>

Van Orden, K. A., Buttaccio, A., & Conwell, Y. (2025). The 5D indicators of suicide risk in older adults who are lonely. *Annals of the New York Academy of Sciences*, 1548(1), 181–193. <https://doi.org/10.1111/nyas.15354>

2024

Castelli Dransart, D. A., Maggiori, C., Burnier, D., Geiser, F., Lapierre, S. (2024). To plan or not to plan. Experiences and challenges of Swiss older adults facing end-of-life decisions. *Omega. Journal of Death and Dying*. <https://journals.sagepub.com/doi/epub/10.1177/00302228241239809>

Cooper, M., Couzner, L., Smith-Merry, J., Low, L.F., Draper, B., Cations, M.. (2024) The role of dementia and Mild Cognitive Impairment in deaths by suicide in Australia: A retrospective study of coronial records. *International Psychogeriatrics*. <https://doi.org/10.1016/j.inpsyc.2024.100002>

Gysin-Maillart, A., Bettschen, D., Annaheim, P., MD, Brogna, S., Walther, S., Waern, M., Müller, M., Exadaktylos, A. K., & Klukowska-Rötzler, J. (2024). Sociodemographic and Clinical Characteristics of Older Adults with Suicide-Related Emergency Department Presentations. *Journal of Aging and Health*, 8982643241261094. Advance online publication. <https://doi.org/10.1177/08982643241261094>

Hed, S., Berg, A. I., Wiktorsson, S., Strand, J., Canetto, S. S., & Waern, M. (2024). Older adults make sense of their suicidal behavior: a Swedish interview study. *Frontiers in Psychiatry*, 15, 1450683. <https://doi.org/10.3389/fpsyt.2024.1450683>

Hedna, K., Jonson, M., Sigström, R., Levinsson, A., Nordenskjöld, A., & Waern, M. (2024). Suicidal behavior and all-cause mortality in depressed older adults aged 75+ treated with electroconvulsive therapy: A Swedish register-based comparison study. *International Journal of Geriatric Psychiatry*, 39(5), e6102. <https://doi.org/10.1002/gps.6102>

Hedna, K., Sigström, R., Johnell, K., & Waern, M. (2024). Determinants of suicidal behavior in dementia: A Swedish national register-based study. *International Psychogeriatrics*, 36(5), 415–426. <https://doi.org/10.1017/S1041610223000583>

Ki, M., Lapierre, S., Gim, B., Hwang, M., Kang, M., Jung, M., Jiali Koh, E., Dargis, L., & Mishara, B. (2024). A systematic review of psychosocial protective factors against suicide and suicidality among older adults. *International Psychogeriatrics*, 36(5), 346–370. <https://doi.org/10.1017/S104161022300443X>

Sharwood LN, Waller M, Draper B, Shand F. (2024) Exploring community mental health service use following hospital-treated intentional self-harm among older Australians: A survival analysis, *International Psychogeriatrics*, 36(5); 405–414. <https://doi.org/10.1017/S1041610223000959>

Teasdale-Dubé, A., Viau-Quesnel, C., & Lapierre, S. (2024). Suicidal ideation in Canadian family caregivers for a person with dementia: A portrait of the situation. *Canadian Journal on Aging*, 43(3), 438–445. <https://doi.org/10.1017/S0714980824000011>

Troya, M. I., Corcoran, P., Arensman, E., & Kavalidou, K. (2024). Patterns of Hospital Presenting Suicide-Related Ideation in Older Adults before and during COVID-19: Findings from a National Clinical Service in Ireland 2018–2021. *Archives of Suicide Research*, 28(4), 1368–1379. <https://doi.org/10.1080/13811118.2024.2307882>

Troya, M. I., Lonergan, C., Cassidy, E., Griffin, E., Lovejoy, S. A., Mughal, F., Russell, V., & Arensman, E. (2024). Healthcare practitioners' views of self-harm management practices in older adults in Ireland: A qualitative study. *International Journal of Geriatric Psychiatry*, 39(7), e6116. <https://doi.org/10.1002/gps.6116>

Walker, A. R., Srasuebkul, P., Trollor, J. N., Wand, A. P., Draper, B., Cvejic, R. C., Moxey, A., & Reppermund, S. (2024). Mortality in people living with dementia who self-harmed: An

Australian data linkage study. *The Australian and New Zealand Journal of Psychiatry*, 58(11), 990–1000. <https://doi.org/10.1177/00048674241278243>

2023

Cations, M., Lang, C., Draper, B., Evans, K., Caughey, G., Wesselingh, S., Crotty, M., Whitehead, C., Inacio, M.C. (2023) Death by suicide among aged care recipients in Australia 2008–2017. *International Psychogeriatrics*, 35(12), 724–735. <https://doi.org/10.1017/S104161022300008X>

Cui, R., Owsiany, M. T., Turiano, N., & Fiske, A. (2023). Association between anger and suicidal ideation. *Current Psychology*, 42, 13798–13801. <https://doi-org.wvu.idm.oclc.org/10.1007/s12144-021-02577-8>
