

**IASP 10th Asia
Pacific Conference
Detailed Programme**

Tuesday 3 May 2022

AEST

08:30		Registration open to workshop attendees	
		Pre-Conference Workshops	
09:00 – 13:00	—	Collaborating to create systems change Facilitators: Stephen Scott & Lindy Zillman	Meeting Room 5
09:00 – 13:00	—	Lived Experience in Research Facilitators: Nichola Parry, Jane Pirkis, Myfanwy Maple & Jacinta Hawgood	Meeting Room 6
09:00 – 13:00	—	Compassion First — translating lived experience into action to drive real change Facilitators: Bronwen Edwards, Michael Cook, Ros Garrity, James Burchmore & Clare Sullivan	Meeting Room 7
09:00 – 13:00	—	Regional Suicide Prevention Network Programme — global strategic action Facilitators: Dr Gregory Armstrong & Dr Lakshmi Vijayakumar	Meeting Room 8
09:00 – 14:00	—	Early Career Researchers Facilitators: Jo Robinson, Ian Hickie	Meeting Room 9
09:00 – 13:00	—	LivingWorks SafeTALK Facilitators: Robyn Lawrence	Meeting Room 2
12:15 – 13:15		Lunch break	
14:00 – 16:20	—	Registration open to all	
16:25 – 17:30		Opening Ceremony	Room: Arena 1B
17:30 – 19:00	—	Opening Plenaries Proudly sponsored by LivingWorks Australia Chairs: Rory O'Connor & Jo Robinson Pat Dudgeon Suicide Prevention in Aboriginal and Torres Strait Islander Peoples – Cultural, Social and Emotional Wellbeing Bronwen Edwards A Rich Tapestry: Through exploring and understanding the rich tapestry of lived experiences of suicide we will discover countless opportunities to save lives and navigate barriers to their meaningful integration. Lakshmi Vijayakumar The need to reframe suicide prevention In LAMI countries Discussants: Murad Khan, Lai Fong Chan & Leilani Darwin	Room: Arena 1B
19:00 – 19:30	—	Pre-dinner drinks	Southern Terrace
19:30 – 22:00	—	Welcome dinner All Registered In-Person Delegates Welcome	Room: Arena 2

Wednesday 4 May 2022

AEST

08:30	Registration open	
	Keynotes	
09:00 – 10:30	Keynote 1: COVID-19 Chairs: GCHHS (Hitesh Joshi) & Annette Erlangsen Jane Pirkis COVID-19 and Suicide Michiko Uedo Female suicides during the COVID-19 pandemic in Japan Thilini Rajapakse Self-harm and suicide in Sri Lanka, amidst the COVID-19 pandemic: Current impacts and future trends	Room: Arena 1B
09:00 – 10:30	Keynote 2: Surveillance Chairs: Ian Hickie & Lakshmi Vijayakumar Katrina Witt Bridging the knowledge gap between expectation and reality in the development of real-time monitoring for self-harm in Australia Ella Arensman The Role of Self-Harm Surveillance in Suicide Prevention within International Context Yoshiaki Takahashi Effective surveillance systems for suicide prevention-lessons from Japan	Meeting Room 5
09:00 – 10:30	Keynote 3: Priority Populations Proudly sponsored by #chatsafe/CRE Shayne Connell & Frank Iorfino Nicole Hill The prevention of suicide phenomena in Australian youth Joe Ball When hate kills: preventing LGBTIQ suicide Laura Shannonhouse Addressing social isolation, loneliness, and elevated suicidality among older adults during COVID-19 and beyond: A double blind partially nested randomized controlled trial (PN-RCT) of the BE WITH innovation	Room: Arena 1A
10:30 – 11:00	Coffee break / Poster Presentations	

Symposia and Workshops		
11:00 12:30	<p>— Symposium 1</p> <p>Proudly sponsored by MATES In Construction</p> <p>Innovative Approaches in Workplace Suicide Prevention</p> <p>Chair: Sally Spencer-Thomas</p> <p>Jodi Frey Man Therapy: Online program to reduce suicidal ideation and depression among working-age men: Results from a randomized controlled trial</p> <p>Karolina Krynska: Work-Related Suicide Exposure, Occupational Burnout, and Coping in Emergency Medical Services Personnel in Poland</p> <p>Sally Spencer-Thomas: Advanced Skills for Managers: Impact of Suicide Prevention Training in Construction</p> <p>Ed Mantler: Having the “tough-talk” at work: The role of the workplace in preventing suicide in the context of COVID-19 in Canada</p>	Room: Arena 1B
11:00 12:30	<p>— Symposium 2</p> <p>Suicide Intervention Training co-design and implementation for the LGBTIQ Populations within trial sites</p> <p>Chair: Shayne Connell</p> <p>Renee Tsatsis</p>	Meeting Room 5
11:00 12:30	<p>— Symposium 3</p> <p>The Buoy Project: Preventing Suicide in Boys and Men</p> <p>Chair: Jane Pirkis</p> <p>Angela Nicholas: Boys Do Cry: A randomised controlled trial testing the effect of a music video on the help-seeking intentions of Australian men</p> <p>Katherine Trail: Optimising telephone crisis helplines: Exploring the needs of male callers</p> <p>Zac Seidler: Pilot evaluation of the Men in Mind training program for mental health practitioners</p>	Room: Arena 1A
11:00 12:30	<p>— Symposium 4</p> <p>Proudly sponsored by #chatsafe</p> <p>YOUThe: Centre of Research Excellence for reducing suicidal thoughts and behaviours in young people presenting for health care</p> <p>Chair : Ian Hickie & Jo Robinson</p> <p>Frank Iorfino</p> <p>Katrina Witt</p> <p>Maria Michail</p> <p>Alexis Hutcheon</p>	Meeting Room 6
11:00 12:30	<p>— Symposium 5</p> <p>Suicide and COVID-19: Evidence from Japan</p> <p>Chair: Yoshiaki Takahashi</p> <p>Yasuyuki Shimizu: Werther Effect among the COVID-19 pandemic in Japan.</p> <p>Takahiro Arai: Predicting suicide among children and adolescents using Google Trends: a new approach using weekly data.</p> <p>Ayako Wakano: The Economic Assistance and rate of increase in suicide during the COVID-19 pandemic</p> <p>Hiroe Tsubaki: Time series similarity of policy variables with suicide cases among the COVID-19 pandemic in Japan</p>	Meeting Room 7
12:45 13:30	<p>— Lunch</p> <p>Lunchtime Session:</p> <p>Lived Experience — Creating change through individual and collective wisdom.</p> <p>Supported by The National Mental Health Commission</p>	Room 5

Oral Sessions		
13:30 – 15:00	Oral Session 1 Chairs: Bronwen Edwards & Zac Seidler 1.1 Karl Andriessen: How best to provide help to bereaved adolescents, with a specific focus on adolescents bereaved by suicide. A Delphi consensus study. 1.2 Karl Andriessen: The reactions of adolescents, parents and clinicians to participating in qualitative research interviews regarding adolescents bereaved by suicide and other traumatic death 1.3 Michelle Lamblin: Evaluating the effectiveness of postvention initiatives in New South Wales secondary schools: A mixed methods approach. 1.4 Nicole Hill: Evaluation of a police-led rapid referral system to postvention support among people bereaved by suicide in the Peel and Rockingham, Kwinana (PaRK) region in WA 1.5 Anita Chauvin: Learning from the lived experience of resilient people who survived suicidality and suicide attempt/s: the significance of self-managing recovery 1.6 Peta Dampney: An exploration of what it means to be suicidal in Sarah Kane's "4:48 Psychosis" OR (How I learned to stop hating on suicidality and use my theatre degree in suicide prevention).	Room: Arena 1B
13:30 – 15:00	Oral Session 2 Chairs: Sarah Hetrick & Maria Michail 2.1 Alan Apter: Feasibility and acceptability of longitudinal passive and active digital monitoring in high-risk suicidal adolescents 2.2 Alison Caelear: Development and validation of a new item bank and screener for suicide risk in young people 2.3 Hareli Cecchin: Scoping review of 30 years of suicide prevention in university students around the world: efficacy, effectiveness and cost-effectiveness. 2.4 Sikky Shiqi: Chen Youths' Attitudes towards Open Discussion of Suicide: A Qualitative Analysis 2.5 Louise La Sala: A pilot study examining the acceptability and potential impact of the #chatsafe social media intervention with young people who have been bereaved by suicide 2.6 Kylie King: The relationship between masculine norms, help-seeking intentions, and suicidal ideation in Australian men	Meeting Room 2
13:30 – 15:00	Oral Session 3 Chairs: Matthew Spittal & Andrew McMahon 3.1 Romy Attewell: Media Coverage of Restricting Access to Location Associated with Suicide in Aotearoa New Zealand: A Suicide Prevention Perspective 3.2 Jane Lim Tze Yn: Effectiveness of a Malaysian Media Intervention Workshop: Safe Reporting on Suicide 3.3 Sandersan Onie: Using Google AdWords to reach out to Individuals searching for Suicide-Related Terms 3.4 Yuka Nishina: Japan Suicide Countermeasures Promotion Center's efforts to prevent suicides affected by suicide media reports in Japan 3.5 Rakesh Singh: Quality of suicide reporting towards suicide prevention among major national newspapers in Nepal 3.5 Steven Stack: Suicide in the fictional media: A quantitative review	Room: Arena 1A

13:30 15:00	—	Oral Session 4 Chairs: Victoria Ross & Jin Han 4.1 Peter Gutierrez: A trainer and an Army Veteran: suicide intervention training and dissemination in Australian 4.2 Jacinta Hawgood: Impact of Systematic Tailored Assessment for Responding to Suicidality (STARS) Protocol Training on Suicide Prevention Workers Suicide Risk Assessment Capabilities 4.3 Sarah Liddle: Suicide prevention in the construction industry: gatekeeper competencies, perspectives, and experiences of Bluehats 4.4 Myfanwy Maple: Protecting our Protectors: Suicide intervention skills training for first responders and family 4.5 Soonju Lee: Trends of Suicide in South Korea by Gender and Life Cycle during 2019–2020: Werther Effect, COVID–19 and Women 4.6 Sally Spencer–Thomas: Psychological Safety and Workplace Suicide Prevention in Safety–Critical Industries	Meeting Room 5
13:30 15:00	—	Oral Session 5 Chairs: Nicholas Procter & Annette Erlangsen 5.1 Phil Batterham: Promoting professional service use for adults experiencing suicidal thoughts 5.2 Laura Grattidge: The role of communities in preventing suicide in rural areas 5.3 Elliot Parkinson: Evaluating the implementation and outcomes of a Pop-up Safe Space Pilot Initiative 5.4 Natsuko Komaki: Support for the promotion of suicide prevention in local communities and future challenges 5.5 Elizabeth Paton: Communicating about suicide and mental illness through images 5.5 Shayne Connell: From Bundaberg to Bunbury: 25 years of suicide intervention skills in Australia	Meeting Room 6
13:30 15:00	—	Oral Session 6 Chairs: Shu–Sen Chang & Katie McGill 6.1 Pham Thi Thu Huong: Community Integration, Psychological Distress and Suicidality Differences among Patients with Treatment–Resistant Depression in Taiwan and Vietnam 6.2 Sue Murray: Zero Suicide Healthcare: program theory to guide evaluation for safer suicide care 6.3 Bernard Leckning: Prevalence of psychiatric assessment and hospitalization following hospital–treated deliberate self–harm: A systematic review and meta–analysis 6.4 Ravivarma Rao Panirselvam: Prosecuted for Attempting Suicide: a Retrospective Study in a Malaysian Forensic Psychiatric Unit 6.5 Alina Pavlova: Helplines and telehealth support in Aotearoa/New Zealand during COVID–19 pandemic control measures; a mixed methods study	Meeting Room 7
15:00 15:15	—	Coffee break	

Symposia, Workshops and Panels		
15:15 16:45	— Workplace Panel Proudly sponsored by MATES In Construction Suicide prevention within blue collar industries: Understanding and evidencing MATES practice Panel Guests: Jacinta Hawgood (Chair), Vincent Borg, Marilyn Sheffield, Jayson Withers, Laura Cox, Tony LaMontagne	Room: Arena 1B
15:15 16:45	— Symposium 6 International experiences of pesticide suicide prevention: the impact of bans on highly hazardous pesticides Chairs: Shu-Sen Chang & Michael Eddleston Aastha Sethi: Impact of regional bans of highly hazardous pesticides on agricultural yields: the case of Kerala Chien-Yu Lin: Impact of the 2018–2020 paraquat ban on suicide in Taiwan Chien-Yu Lin: Longer-term impact of paraquat ban on suicide in South Korea Song Jie Chin: Pesticide Poisoning in an East and a West Malaysian Hospital: Characteristics and Trends pre & post National Paraquat Ban	Room: Arena 1A
15:15 16:45	— Symposium 7 Media reporting of suicide in low and middle-income countries in Asia Chairs: Greg Armstrong & Lai Fong Chan Wei Li Chan: Stakeholder Perspectives on Suicide-related Reporting in Malaysia: Preliminary Insights from Editors and Regulators Nur Farahin Khirudin: A real-world case study in developing media statement guidelines and training for suicidal behaviour reporting for police officers in Sarawak, Malaysia Lakshmi Vijayakumar: Application of a Scorecard Tool for Assessing and Engaging Media on Responsible Reporting of Suicide-Related News in India Qijin Cheng: Typology and Impact of YouTube Videos Posted in Response to a Student Suicide Crisis: Social Media Metrics and Content Analyses	Meeting Room 6
15:15 16:45	— Symposium 8 Harnessing Implementation Science for Suicide Prevention Chair: Lennart Reifels Jill Francis: How can implementation science contribute to the impact of suicide prevention interventions? Karl Andriessen: Implementation of suicide prevention training: A systematic review Lennart Reifels: Implementation of suicide prevention interventions during disasters and public health emergencies: A systematic review Sadhvi Krishnamoorthy: How are implementation science frameworks utilised and applied in multicomponent suicide prevention trials: A systematic review	Meeting Room 7
15:15 16:45	— Workshop 2 Restorative Just Culture as a foundation for Zero Suicide Healthcare Facilitators: Sue Murray & Kay McCue	Meeting Room 5
16:45 17:00	— Break	

		Panel Sessions	
17:00 18:30	—	<p>Panel Session:</p> <p>Proudly sponsored by Postvention Australia</p> <p>Postvention for clinicians and community members bereaved by suicide: perspectives from Malaysia & Australia.</p> <p>Chair: Zac Seidler & Lai Fong Chan</p> <p>Panel Guests: Yin Ping Ng, Ravivarma Rao Panirselvam, Tsui Huei Loo, Alia Ali, Darrin Larney</p>	Meeting Room 5
17:00 18:30	—	<p>Panel Session:</p> <p>The role of technology in Suicide Prevention</p> <p>Chair: Ian Hickie</p> <p>Panel Guests: Eleanor Bailey, Kerry Gibson, Paul Yip, Mia Garlick</p>	Room: Arena 1B
17:00 18:30	—	<p>Panel Session:</p> <p>Supported by IASP</p> <p>National/Regional strategies post COVID</p> <p>Chair: Greg Armstrong</p> <p>Panel Guests: Lakshmi Vijayakumar, Sarah Hetrick, Stéphane Amadéo</p>	Room: Arena 1A
18:30 19:30	-	<p>Suicide Prevention in Defence & Veteran Communities Sundowner</p> <p>Proudly sponsored by LivingWorks Australia</p>	Room: Arena 1B
19:45 22:00	—	<p>Pecha Kucha Event</p> <p>Proudly sponsored by #chatsafe</p> <p>Master of Ceremonies: Mark McConville</p> <p>Laura Hemming: Tell Me What You Want, What You Really, Really Want: Involving Young People In A Priority Setting Exercise For Research Into Suicide Prevention</p> <p>Natalie Peart: The new face of youth mental health intervention: an analysis of a proactive digital intervention and risk assessment practices on Instagram</p> <p>Inge Meinhardt: Developing a guideline for school staff on supporting students who self-harm by prioritising youth and indigenous voices: a novel approach</p> <p>Sadhvi Krishnamoorthy: Practice based evidence for evidence based practice</p> <p>Airan Yuan: Using Positive Psychology PERMA to Help Suicidal Individual Recover: A Case Study</p> <p>Luke T. Bayliss: Suicide capability: The difference between thinking about suicide and attempting suicide.</p> <p>Karen Kusuma: The performance of machine learning models in predicting suicidal ideation, attempts, and deaths: a meta-analysis and systematic review</p> <p>Andrew McMahon: Caring for those who care – exploring the experiences and needs of family and friends caring for a person who has attempted suicide</p>	Rimini Room Miss MoneyPenny’s

Thursday 5 May 2022

AEST

08:30

Registration open

Symposia and Workshops

09:00

—

Symposium 9

Surveillance of suicidal behaviour in Western Pacific Region

Chair: Kairi Kolves

Sharna Mathieu: Surveillance of suicide and self-harm in the Western Pacific: the current state of art

Kairi Kolves: Preliminary Framework of the Western Pacific Regional Sentinel Surveillance System of Suicidal Behavior (WPR4S)

Katrina Witt: The development of a self-harm monitoring system in Victoria, Australia

Paula Melizza Valera: Developing a data registry for suicide attempts and self-harm: the Philippine experience

Room: Arena 1B

09:00

—

Symposium 10

Proudly sponsored by MATES In Construction

Understanding suicide in the Australian construction industry:

Contemporary research insights

Chair: Laura Cox

Tania King: Suicide among male Australian construction workers: analysis of 18 years of data

Simon Tyler: Suicidal Ideation in the Australian Construction Industry: The Role of Psychosocial Job Factors and Traditional Masculine Norms

Jorgen Gullestrup: A systematic review of evaluation evidence for the MATES in Construction workplace suicide prevention program

Room: Arena 1A

09:00

—

Symposium 11

Suicide and self-harm monitoring in Australia

Chair: Chris Killick-Moran

Tessa Cutler & A Flego: Evaluation of the National Suicide and Self-harm Monitoring Project and System

N Biddle: Spatiotemporal Modelling of Australian Suicide Deaths between 2001 and 2020

N Biddle: Socioeconomic Factors associated with Suicide in Australia: A Focus on Individual Income

Debbie Scott: Using public health data to drive policy change and inform communities

Angela Clapperton: Patterns of Suicide in the Context of COVID-19: Evidence from three Australian States

Meeting Room 5

09:00

—

Workshop 3

The Gold Coast Mental Health and Specialist Services | Journey to Zero Suicide: The GCMHSS Suicide Prevention Pathway of Care

Facilitators: **Matthew Welch**

Meeting Room 6

10:30

10:30

09:00 10:30	—	Symposium 12 Bridging Indigenous suicide prevention and assessment and clinical management of suicide risk within military population topics with a trauma frame. Chair: Maree Toombs Peter Gutierrez	Meeting Room 7
10:30 11:00	—	Coffee break / Poster Presentations	
		Symposia and Workshops	
11:00 12:30	—	Workshop 4 Translating Research into Action: The design and development of an Indigenous specific suicide intervention skills training program (I-ASIST) Facilitator: Maree Tombs	Meeting Room 7
11:00 12:30	—	Symposium 14 Advancing Suicide Prevention through Economic Evaluation of Interventions Chair: Jane Pirkis Long Khanh-Dao Le: The cost-effectiveness of brief aftercare interventions following self-harm Karolina Krysinska: The cost-effectiveness of psychosocial interventions following self-harm in Australia Long Khanh-Dao Le: The cost-effectiveness of media reporting guidelines for the prevention of suicide in Australia Piamee Bandara: Cost-effectiveness of barriers for suicide prevention at bridge and cliff sites in Australia	Meeting Room 5
11:00 12:30	—	Symposium 15 StandBy and the Vital Role of Lived and Living Experience in Postvention Chair: Karen Phillips Presenters: Jo Langford & Jon Eddy	Room: Arena 1A
11:00 12:30	—	Symposium 16 Proudly sponsored by Lifeline International Addressing loneliness and social isolation: The role of Crisis Helplines Chair: Thilini Perera Alan Woodward: All The Lonely People — Why Do They Call Lifeline? Robert Sams: Breaking Down The Barriers To Loneliness Sam Quercioli: Lifeline China Adapting to the Needs of Increasing Call Volumes Justin Chase: Enhancing Social and Emotional Connections Through Crisis Counselling Programs	Room: Arena 1B
12:30 13:30	—	Lunch Lunchtime Session: Lifeline Lunchtime Learning Proudly sponsored by Lifeline Australia	Room 5

Oral Sessions		
13:30 – 15:00	Oral Session 7 Chairs: Kylie King & Maggie Hardiman 7.1 Emily Hielscher: The Australian Youth Self-Harm Atlas: Mapping the regional variability of non-suicidal self-harm, suicide attempts, and related risk and protective factors in Australian adolescents 7.2 Emily Hielscher: Self-identified risk and protective factors for self-harm and suicidality among young Australians with lived experience 7.3 Maria Michail: #MyGPguide: Helping young people seek help from their GP about self-harm and/or suicidal experiences. 7.4 Jo Robinson: Suicidal behaviour in primary care: Australian GPs' and young people's perspectives, preferences, and needs 7.5 Serena Saliba: Spirituality and Suicide Prevention: Paving the Way for Increased Attention to Spirituality in Mental Health Care at Universities. 7.5 Jin Han: Understanding suicide resilience in young adults via positive deviance	Room: Arena 1B
13:30 – 15:00	Oral Session 8 Chairs: Gregory Carter & Jacinta Hawgood 8.1 Tsui Huei Loo: Ethnic differences in the rates and characteristics of suicides in Perak, Malaysia, 2017–2020 8.2 Grace Crowley: Sex education and self-poisoning in Sri Lanka: an explorative analysis 8.3 Steven Stack: Social Construction of Military Suicide: Relationship Breakdown 8.4 Fiona Pienaar: The evidence for loneliness and lack of connectedness in conversations held with texters using Shout, a UK text messaging service, who are experiencing suicide ideation 8.5 Piamee Bandara: Intimate partner violence and suicidal behaviour in post-conflict settings: analysis of national data from Sri Lanka 8.6 Melanie Schroder: Staying CALM, afloat, visible, ethical, and viable during the Covid storm.	Meeting Room 2
13:30 – 15:00	Oral Session 9 Chairs: Leilani Darwin & Tessa Cutler 9.1 Bronwen Edwards: Lived Experience of suicide Informed and Inclusive Culture Change – harnessing best practice to meaningfully integrate lived experience throughout suicide prevention research, service delivery, policy reform 9.2 Daniel Gan: Partnering with people with lived experience to refine a digital intervention for suicide prevention 9.3 Nicole Hill: Evaluation of the Peer CARE Connect program in the Peel, Rockingham, and Kwinana (PaRK) region, WA 9.4 Karolina Kryszinska: Lived experience involvement really helps us to design the best research: Views of suicide researchers in Australia on co-production/co-design in suicide research 9.5 Andrew Namestnik: Lived experience peer engagement is vital to effective suicide prevention and crisis interventions at Gold Coast Health's new Yalburroangabah Crisis Stabilisation Unit 9.6 Hayley Purdon: Organisational engagement with lived experience: The Lifeline example	Room: Arena 1A

13:30 15:00	—	Oral Session 10 Chairs: Jane Pirkis & Vikas Arya 10.1 Peta Dampney : The politics of suicide prevention versus actually getting stuff done – Creating measurable and realistic goals that actually make sense. 10.2 Kim Holmes : Adelaide Urgent Mental Health Care Centre delivering an alternative response to suicidal crisis: early outcomes and reflections on the first 12 months of operation 10.3 Kazu Moriguchi : Overall picture of capacity-building process for suicide countermeasure for public and private sectors in Japan and its future challenges 10.4 Sanderson Onie : Indonesia's First Suicide Prevention Strategy: Process and Initial Findings 10.5 Salima Farooq & Yasmin Parpio : Applying Western Suicide Prevention approaches in Pakistan 10.6 Yasuyuki Shimizu : How Japan's National Strategy for Suicide Countermeasures Worked in the Crisis of Covid-19	Meeting Room 5
13:30 15:00	—	Oral Session 11 Chairs: Maddison O'Grady-Lee 11.1 Mandy Gibson : First Nations cultural education suicide prevention program: participant baseline analysis and pilot evaluation 11.2 Mandy Gibson : Cultural connection and First Nations youth suicide mortality rates: Informing strategies to reduce Aboriginal and Torres Strait Islander suicide disparities 11.3 Michelle Lamblin : Adapting a culturally responsive resource to support families and communities of young Aboriginal people who self-harm 11.4 Bernard Leckning : Risk factors for mortality following hospitalisation for suicidal behaviour in the Northern Territory of Australia 11.5 Katie McGill : Indigenous Cultural Identity and Likelihood of Discharge to Psychiatric Hospital after Intentional Self-Poisoning At a Regional Australian Hospital 11.6 Inge Meinhardt : Prioritising Youth and Indigenous Voices in the Development of Guidelines for New Zealand School Staff on Supporting Students who Self-Harm: An Innovative Approach	Meeting Room 6
13:30 15:00	—	Oral Session 12 Chairs: Kairi Kolves & Fiona Shand 12.1 Hwei Yuen Chang : Characteristics associated with suicides by paraquat poisoning vs other methods in Perak, Malaysia, 2017–2020. 12.2 Rijah Chhapra : Analysis of Self-Poisoning cases admitted to the National Poisoning Control Center (NPCC) in 2019 in Karachi, Pakistan 12.3 Angela Clapperton : Preventing railway suicides through level crossing removal 12.4 Manjula Weerasinghe : Emerging pesticides responsible for suicide in rural Sri Lanka following the 2008–2014 pesticide bans. 12.5 Manjula Weerasinghe : Prevention of pesticide suicides through a 'gatekeeper' training for vendors in rural South Asia	Meeting Room 7
15:00 15:15	—	Coffee break	

		Keynotes	
15:15 16:45	—	Keynote 4: Priority Settings Chairs: GCHHS (Matt Welch) & Sue Murray Soumitra Pathare Data, Data everywhere, but not when it comes to Suicide Prevention Lai Fong Chan Psychiatric service innovations for persons with severe mental illness and suicide risk in an LMIC setting during the COVID-19 pandemic: perspectives from Malaysia Maree Toombs IASIST: A product of its own success. Translating research into practice.	Meeting Room 5
15:15 16:45	—	Keynote 5: Media Chairs: Greg Armstrong & Louise La Sala Paul Yip The Opportunities and Challenges of an Online Text-based Counselling Service for Vulnerable Youth Jo Robinson Social media and youth suicide prevention: the #chatsafe program S.M. Yasir Arafat Media Reporting of Suicide in South-East Asian Region: Current Status, Challenges, and Way Outs	Room: Arena 1A
15:15 16:45	—	Keynote 6: Refugees & Displaced Persons Chairs: Murad Khan & Andrew McMahon Leilani Darwin Assimilation, integration, and generational trauma Samah Jabr Suicide and suicidal behaviour in Palestine Nicholas Procter A Trauma Informed Approach to Suicide Prevention for People of Refugee and Asylum Seeker Background	Room: Arena 1B
16:45 17:00	—	Break	

17:00 18:15	—	Closing Plenaries Proudly sponsored by Black Dog Institute Co-Chairs: Jo Robinson & Lai Fong Chan Stephen Scott Next steps for centring lived experience in suicide prevention Emmanuel Nii-Boye Quarshie Suicide prevention in low- and middle-income countries: recent inroads and ways forward Maddison O'Grady-Lee How do we accurately assess the mental health of Aboriginal and Torres Strait Islander young people Rory O'Connor Suicide risk and the transition from suicidal ideation to suicidal attempts	Room: Arena 1B
18:15 18:30	—	Closing Ceremony	Room: Arena 1B
18:30 19:30	—	Closing Reception	Southern Terrace
